The weather has been a big talking point here on the farm. We went from praying for rain and of course when it came we had started silaging, and wanted the sunshine, no change there then! Vital statistics so far are Jan 53mm, Feb 21mm, Mar 16mm, Apr 0 mm, May 11mm, and Flaming June 95mm, (20mm falling whilst writing this newsletter!)

We are having a stall in the Southern Farmers marquee at the Kent County Show, over the weekend of 15, 16, and 17 July, so if you are there come and say hello. Our annual Open Day is on the following Saturday 23 July from 2.00 pm. If any of you would like to book a stall at our Open Day please contact us as we would love to have some new stalls as well as our usual favourites. If any of you could put one of our posters up to advertise our Open Day, we would be very pleased to send one to you in your next box. With summer holidays looming, please remember to let us have your holiday dates with plenty of notice and certainly before the deadline of 5.00 pm Monday, or you will incur a cancellation charge.
